BRAND MANIFESTO

Love is an act of trust, with no expiration date. It's unique and personal. That is why your trust is precious. It's one thing to earn trust. But to sustain it across generations and cultures around the world is something altogether different.

Tupperware began to acquire trust, from the moment it started enhancing people's lives for over 75 years. Today our products and career opportunities continue to help bring goodness to daily life, for you, your loved ones, your communities and our planet. We don't take your trust lightly. It's why we obsess over quality and design, so that you don't have to. It's why we're committed to doing the right thing—for today and all the tomorrow's to come.

There may be many who try to be like us, but there is only One Tupperware.

Choose Good Everyday. Choose Tupperware.

The Tupperware Advantage

Caring for your Tupperware

Tupperware products are tested to ensure that they are a safe, non-toxic, attractive and durable alternative to other home storage products. With a little care, you can keep your Tupperware looking as good as new.

The company maintains stock of selected spares, which can be purchased by the consumer.

Cleaning and storing: Wash and rinse Tupperware with liquid soap and lukewarm water. Store without seals to keep them fresh. Do not soak polycarbonate range in detergent or soap

Hot food and beverages: Cool beverages before applying the seal. Cool hot food or liquids containing fat (cooking oil/grease, curries, soups, sauces) before placing them in the container. Tupperware containers can withstand temperatures upto 80°C

Tight Seals: Place the seal in warm water for few minutes. Dry thoroughly, then apply to container while still warm

Stain Removal: Use baking soda paste. It's ideal for reducing stains and stickiness Preventing Cuts and Scratches: Avoid the use of abrasive scrubbers and washing powders

Removing Unpleasant Odours: A piece of charcoal or moist newspaper, stuffed into the container and left sealed for 12 hours in the fridge (before washing and rinsing the product thoroughly) should get rid of unpleasant odours
